8	Sites at which the School functions	The School has been running since 1972 at two different locations to provide adequate space for all classes, labs and for School Auditorium. All the buildings are adjacent. Distance between two sites – 33 meters. We got approval from CBSE in the year 1984 for Integration of our Primary department (two different location) with Senior Secondary Department. Our Main building which is more than 53 years old is in need of renovation, as well as to provide modernised digital classrooms to empower students with 21st century skill sets as suggested by National Education Policy 2020 on ICT in School Education by MHRD, we have shifted some classes to the Golden Jubilee Annexe building at Door No. 15, Peyalwar Street, Triplicane, Chennai-600005 which is 500 meters from our School building. Now our School is running in three different sites. Copies of approval / request letters are included under Documents and Information page under Mandatory Disclosure.
